IN ADDITION TO THE SEASON

Spotlight Children's Theatre is proud to be continuing its partnerships with The Boys and Girls Clubs of America and the CORE program at Mark Twain Elementary School. Last season, we got to do a great, hands on workshop with the kids and members of BGCA, and they and the CORE kids attended all of our performances, free of charge. For many of them, it was their first exposure to live theatre. By the last show, Really Rosie, those kids came in all lit up and excited, knowing they were in for another wonderful adventure. In the 2016-17 season, it is our goal to incorporate more BGCA and CORE members into our performances, in addition to our audiences.
